

REMARKS

The Office Action mailed August 24, 2005, issued a restriction and an election of species on the claims, alleging claims 1-26 and 29-32 (Claim Group IV) and claims 27-28 and 33-35 (Group III) are directed to two distinct inventions. In response, Applicants hereby elect Group IV (claims 1-26 and 29-32) for continued prosecution in this application, without traverse.

In addition, the Office Action requested the Applicants select a species and subspecies. In this regard, the Applicant elects species D and subspecies G, L, O, Q, Y, AA, AI, AL, and AN. If the Applicants have misunderstood the election of species, please call the undersigned attorney to clarify the election.

Applicants respectfully submit that Group IV (species D and subspecies G, L, O, Q, Y, AA, AI, AL, and AN) claims are in proper condition for allowance, and respectfully request that the Examiner pass this case to issuance. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned attorney at (770) 933-9500.

No fee is believed to be due in connection with this response. We hereby authorize any deficiencies or additional fees that may be required to be charged to our Deposit Account No. 20-0778.

Respectfully submitted,
